

# Summary of Regional Reports

Mirriam Mosia

## Agenda

- Northern Region
- Central Region
- KZN Region
- Eastern Cape Region
- Western Cape Region
- Summary

2

### Events

- Seven (7) Meetings
- 3 Site Visits
- Road Safety Committee Seminar.
- Site visit to Much Asphalt and the were the highlight events as they were attended by 54 and 70 delegates, respectively.
- **Primary Schools Road Safety Speech and Poetry Competition** did not take place in 2022.

### Capacity Development

- Awards for the Tshwane University of Technology will take place in either February/March 2023.

### Upcoming Plans

- Primary Schools Road Safety Speech and Poetry Competition
- More seminars in 2023 and reinstating the SARF Golf Day

Northern Region

20XX 3

Central Region comprises of the North West, Northern Cape and Free State Provinces

### Events

- Three (3) Meetings
- Site Visit to KimCrush at the Northern Cape Department of Roads and Public Safety in Kimberly.

### Upcoming Plans

- Road safety campaigns in schools and site visits in the FS and the NW.

Central Region

4

## Kwa-Zulu Natal Region

### Stakeholder Engagements

- KZN Floods Committee
- SANRAL (N2/N3 Traffic Management Plans)
- KZN DoT (Implementation of Safety Measures)

### Events

- 3 Site Visits > Knowledge-sharing session involving soil tests and results preparation.
- Knowledge-sharing session > Four (4) educational presentations.
- Primary Schools Road Safety Prepared Speech and Poetry Competition > 68 schools took part.
- Women's High Tea Event
- KZN Seminar > The 2nd Decade of Action for road safety

5

## Kwa-Zulu Natal Region

### KZN Seminar 2022

- South Africa missed the 50% target of reduction in fatal accidents and incidents in the 1st decade of action > Some authorities are reporting a **13% reduction**.
- Not clear who is leading the Decade of Action for the country.
- Commitment to the UN decade of Action but are no mechanisms at a national level to track progress.
- Various standalone plans driven by specific entities, a formal coherent plan that captures what needs to be done in SA is lacking.

Question: Where is SARF in this?

### Upcoming Plans

- AGM will take place at the ARRB Systems offices in Pinetown.

6

## Eastern Cape Region

### Events

- Nine (9) Meetings
- 3 Site Visits to Afrimat Quarry, Much and East Coast Asphalt Plants.
- Two (2) training courses for Sample Preparation and Testing of Road Construction Materials as well as that of Concrete.
- AGM and Bowls Day
- **Site Quality Debate**
- Photo competition

### Capacity Development

- Awards for the best Transportation Engineering second (2nd) and third year Nelson Mandela University and Walter Sisulu University students.

7

## Eastern Cape Region

### Upcoming Plans

- Introducing Flood Modelling course
- Site visit to Volkswagen Factory Tour and also
- Primary Schools Road Safety Speech and Poetry Competition

8

## Western Cape Region

### Events

- Organization of the Roads Pavement Forum
- Assisted with Road Safety Courses
- Assisted with the SARF/IRF/PIARC Conference and the National AGM.
- **Nominating the President Award candidate**
- Junior Traffic Centre project is in progress and will be finalized mid-2023.

**Question:** How are we monitoring the impact this JTC has?

### Upcoming Plans

- Speakers from smaller municipalities will present their 2022/23 budgets
- Workshop: 2012 RSA Manual vs New 2022 RSA manual

9

## Conclusion

- All meetings and events arranged by regions were successful and well-attended.
- There has been 1 resignation and 1 retirement. We thank both individuals for their service at SARF and wishing them all the best
- All regions prefer to continue with the virtual platform for the regional meetings citing more productivity and less time out of the office.
- Regions expressed gratitude to continued support from the Head Office team.
- 4 Pillars of SARF.

Stakeholder Engagements > Sustainable Road Funding > Road Safety > Capacity Development
